RE: 2025 Sponsorship

The Association of South Carolina Oncology Managers, Inc. is a South Carolina non-profit professional organization providing access to quality leadership development through continuing education, networking, and business improvement opportunities for oncology practices. Now in existence for 30 years, the Association of South Carolina Oncology Managers strives to provide timely and quality education to the oncology community. We hope you will be able to take part in one or more of the exciting meetings we are offering this year. For 2025 the meeting dates are May 15, 2025, September 18, 2025 and November 6, 2025. We will be celebrating 31 years with our upcoming annual meeting February 28, 2025 & March 1, 2025 in Greenville, South Carolina.

We rely on the generosity of individuals and businesses for support. Without the assistance of our Hematology/ Oncology and healthcare partners, we wouldn't be able to serve our membership each year. We ask that you make a commitment to sponsor our organization. Your generosity will make a difference and allow us to continue our mission to support oncology professionals.

We have enclosed the sponsorship agreement for your convenience. Please direct all sponsorship questions to theresa.foushee@gmail.com.

Thank you for your support!

Sincerely,
